

District Provided Professional Development (DPPD) Documentation

A teacher wishing to use DPPD to progress to, or renew, a Professional and/or Occupational certificate must first log-in to MOECS and locate the "*District Provided Professional Development Record for Certificate Renewal*" form. This form can be located by clicking the "Forms" navigation bar on the left-hand side of the MOECS homepage or on our website at:

http://www.michigan.gov/documents/mde/DPPD_ADDENDUM_7_387885_7.doc.

The instructions for logging DPPD are located on this form and must be followed carefully.

This form is updated regularly in order to provide clarity to teachers. Please ensure you have the most recent form from MOECS before you submit it to your school principal/district designee for signature. In addition to the form, the teacher must also print all DPPD activities entered into MOECS and have these page(s) initialed by the employing district/school.

If you are a teacher in a private school, you are not eligible to receive DPPD hours and thus may not use them for certificate renewal or progression.
