Employees must be legally working in the United States in order to be eligible for coverage. Underwriting must approve coverage for employees on temporary assignment: (a) exceeding one year; or (b) in an area under travel warning by the US Department of State. Subject to state specific variations.

This exclusion may vary according to state law. Dependent coverage will not take effect if a dependent, other than a newborn is confined to a hospital or other health care facility, or is unable to perform the normal activities of someone of like age and sex (may vary by state).

Accelerated Life Benefit is not paid to an employee under the following circumstances: one who is required by law to use the benefit to pay creditors; is required by court order to pay the benefit to another person; is required by a government agency to use the payment to receive a government benefit; or loses his or her group coverage before an accelerated benefit is paid.
